#### THIS YEAR'S CYCLISTS.

Plenty of Good Material to Make Fast | Missed By a Man From Vermont When Riders. Promising Outcook.

The fine weather of this week ha. brought out the outyclists in large numbers and Sunday will find the roads to Wilhamstown and Adams fairly swan ming with wheelmer, prorjeyed to be able to with wheelmer, overjoyed to be and to to write any or to the truin a saddle care more Among Thesday morning for North Adams via the floosac Tunnel and Wilmington railget onto a saddle once more Among a seek are a number who will endeaver to road and was a p snenger on make records for themselves below the that was wrecked as reported in the season closes North Adams and Adams contributed largely to the records made in the Berkshire hills its season and from present and callons Northern derkshire will this year produce faster riders the

can cover the 100 miles in a space of tiu which will not 10 bettered not even by contingent of riders tal en from Pittsheld to the Connecticutt line. The local cyclists who will give particular attention to speed riding this year are Joseph Jaivie, Daniel Wells Jr., I W & Bart lett Frank Watson Frank Eice, Horocc Frazei, F Lamon, Pinney Hobert The latter three are new in the fed but

are of considerable promise. Wells is commencing early to get into condition to an ingression after valued all tole as strongest riders in this section but lace. The section which accept when he left Wilmington which spurting qualities. We'son showed up well last year, but his Weils, is slow on the finish. Jarvie wis t'e local fa onte last year but his record it ring the a ter part of the year was not up to hastand ad Fred Vadnass and Frank Rossman will be unable to bet into line this year business interfering. The record from Williamstown mo among to the H Ison is held by Yadner who with Watson cor ered the distance 100 pards over nice miles in August 1890, in 11 minutes 45

seconds
Adams has the distinction of producing a very speedy rider and the winner of de-served faucis last year in Philip D Powers He not only has muscular devel opment to rely on but also has a good quantity of real grat which is most essen tial to fast wheelmen His work last year was very satisfactory and he can easily claim to be the champion of Northern Berkshire Powers will be on hand this summer to meet both old and new riders who wish to dispute his title Arthur Sim nons, Day Brown and Harry Higham of Adams are to be found among racers the year. The prospect for Berkshire record breaking is very promising and the down county cyclists will be given some records to try for

### NORTH ADAMS SPEAKS And in No Uncertain Tones. People Mean What

They Say

A great work is going on in North Adams. Quietly, steadily and successfully a powerful force is exerting itself for the good of the people.

When it was announced that the great

nedicine, California Catarrh Cure, which is, without question, the greatest remedy for catarrhal trouble ever composed, was to be offered to North adams the number of people turned out and admitted them-selvs victims of the obstinate and hitherto nawking, bemming, bad breath, slime in pleasure at Springfloid and Fittsfield and, the threat, deapping of effective matter into threat, headaches, gagging, choking neuses, stuffed feeling and increasing deafness. They had caturit in every form, from neute attacks that can be cured in a word. to the worst cases of chronic entarrh the most presistant disease in the world.

Catacrh Cure.

Already its wonderful cases are familiar

in North Adams. Here's one: Mr. A. B. Darling, 43 Church st., says; I have had catarrh for many years, and have received more benefit from California navereceived more demonstront cantornal Catarrah Cure, which was precured at Burlingame & Darby's, than from anything else I have ever used. It has greatly relieved my head, and completely restored the sense of taste which I had not had for

the sense of taste which I had not had for several years. I containly consider C. C. C. the right cathern medicine." To avoid thay fever, begin using Califor-nia Catarrh Cure now, and then keep it up till the season of the attack has passed. If absolutely prevents cases of hay fever and its kindred discusses, influence, "grip," stuffed and smarting used pessees. For stuffed and smarting masal passages. For the latter, nothing affords such grateful relief as California Caturrh Cure. All dealers 50 cents; three times as much, one

pophosphites alone are sufficient to prevent and cure consumption, taken in time. Without doubt they exert great good in the beginning stages; they improve the appetite, promote digestion, and tone up the nervous system. But they lack the peculiar medicinal properties and the fat found in cod-liver oil., The hypophosphites are valuable, and the cod-liver oil is valuable.

Hypophosphites contains both of these in the most desirable form. The oil is thoroughly emulsified; that is, partly digested. Sensitive stomachs can bear an emulsion when the raw oil cannot be retained. As the hypophosphites, the medicinal agents in the oil, and the 🕏 fat itself are each good, why not have the benefit of all?

### PRESIDENT HUBBARD'S REMARKS

Calls Upon All Wheelmen to Work for Improvement of Highways, Y. M. C. A. Rooms the Scene of Much Enjoyment.

The \ M C. A. building was the seen of a most agreeable gathering of young people Friday evoning. The gathering numbered over 100 and was the semiannual reception of the Association Fil-grims. The committee in charge of the evening's entertainment had planned well and the guests passed the hours in a most enjoyable manner. The norms had been made additionally attractive with hemlock trees, festoons and fags. C. If Hubbard, pussident of the club, was unable to aftend the reception and his welcome was read by Thomas Brainard

#### President Hubbard's Welcome

As the president of this organization it gives me great pleasure to extend to all a hearth greeting. We are glad to see so many of the friends of wheeling with us It argues well for the future of this body when so many of its friends, far or us with their presence and support. We hope that all the wheelmen here tonight may at the commencement of what promises to be a most successful season, identify themselves with us if for no other reason

than to help the cause along
It has long been apparent that North
Adams has needed a live breyele club Upto date in other respects our fair city bus
been slow to recognize the power of wheeling in our community by any rep-resentative organization. But although late, yet we have made a start in the right a rection and it has in the province of this organization to show to this comthe many forms of recreation sought out at the present day. Not only is it our mission to clevate the best of sports but to occupy a prominent position in the ma-terial welfare of this community

Figure member of us ought to make the practical and permanent improvement of our highways a personal matter demanding his own individual consideration Fellow members, do not stop with more clish furtherance of your own needs, spread the gospel of improvement in all municipal lines among your follow men been doing some missionary work on this line and there is a fur pro-year of the amendment being adopt. 

The 15 days in September that the Wes ern Maysachusetts men are in danger of losing is of immense importance to
